From the Stewardship Committee

When God said in Genesis 1:28 that the humans He created were to subdue the earth and have Dominion over every living thing that is on the earth, He did not mean that we should pillage, waste and destroy the earth and environment. Rather, as His stewards, we are responsible for the good, careful, benevolent and peaceful use of the earth and environment. This is for the benefit and wellbeing of all inhabitants of His creation.

So, how are we doing? We hear a lot about that in these days and times. What can we do as individuals who take seriously our responsibility for the earth and environment? Convert to LED bulbs as we replace burned out ones. Turn off our car engines as we wait in slow moving lines. Take 10-minute showers instead of 20. Recycle as much as we can. Turn out the lights every time we leave a room instead of leaving them on until whenever we return. You can come up with many other ways of reducing the negative impact we have on the environment.

We might think we're just one or two who do such practices to reduce our impact, so what difference will that make overall. Every little bit helps. And think about what the results can be accomplished if all of us added up our little bits together. It can and would be significant. Care of the earth and environment are also a very important part of our stewardship.

Stewardship Committee: Rick Lohr, Ben Harring, Wayne Kallio, Jim Stolen, Tom McDonell, & Neil Munson.

ILC is providing the Sunday Community Dinner at the Presbyterian Church Oct 24th. We will prepare the same meal as we have for the recent meals, Sandwich of cold cuts and cheese, chips, dessert, fruit and water. The meals are prepared in our kitchen after the service and then are distributed at the Presbyterian church at 4 pm. If you are wanting to help with this meal, will you let me know? If you have a preference of shift, after church or the afternoon distribution, let me know that. If you are unable to

participate with this meal but want to help with future meals, let me know that too. You can contact me directly, 715-675-7812 and leave a message or email at dadx7wausau@gmail.com.

Thanks to everyone who supports this ministry with your hands, your financial support and your prayers. – Kathy Knox, Social Concerns Chair
